

T-Home Fintech

DPIIT Recognized & Certified By Startup India

EXPERIENCE CERTIFICATE

Date: 28/07/26

To whom it may concern

This is to certify that **Anakapalli Jyothi Sankara Srinivas** was associated with **T-Home Fintech** from **04th February 2026** to **17th July 2026**. During his tenure, he served in the capacity of **Machine Learning (ML) Intern**.

As an **ML Intern**, Srinivas played a pivotal role in the conceptualization, training, and deployment of predictive AI models. Furthermore, Srinivas demonstrated exceptional versatility and dedication by actively cooperating in **Full-Stack development** initiatives, ensuring a seamless integration between complex machine learning algorithms and the end-user interface.

His technical expertise across both AI architecture and full-stack frameworks, combined with his ability to build scalable solutions in a fast-paced Fintech environment, has been a significant asset to the organization. Srinivas demonstrated professional integrity and a strong commitment to organizational success.

He has completed all exit formalities and has certified the sanitization of all proprietary data from his personal devices in accordance with our BYOD security policies. He is leaving the organization of his own accord to pursue new professional opportunities.

We thank him for his contributions to T-Home Fintech and wish him the very best in his future career.
